

UNCOATED PAPERS

MATERIAL: LASER

CODE: LASER

MANUFACTURE: PRO PAPER LTD

Wood free paper machine finished used for plain primary LASER label applications. Extensively used in food, logistics for barcode printing. Suitable for printing in all types of flexo, UV offset, screen-printing, hot stamping and thermal transfer NEED TO BE TESTED.

PAPER PROPERTIES	TEST METHOD	TARGET
Grammage (g/m ²)	ISO 536	70
Thickness (micron)	ISO 534	82
Tensile strength kN/m MD	ISO 1924-3	5.6
Tensile strength kN/m CD	ISO 1974	600
Recommended storage (years)*		1 year
